Total Time

Burning Words

The paper burns,
the words fly away.
and...the...is...
dancing up into the Universe
in swirling smoke.
we...they...got...have...
floating upwards
like kites on little winds,
it...love...late...be
carried beyond meaning
into the craze of stars.

All compositions by
Stephen Kelley
Dan Frank Kühn

Created using a Roland RS keyboard
and the Boss RC Loop Station

Edited with Feltip SoundStudio
during on a Mac G
